Subject: [EXTERNAL] Request for a Conference Call Appointment-time sensitive  
To: [erogers@usbr.gov](mailto:erogers@usbr.gov) <[erogers@usbr.gov](mailto:erogers@usbr.gov)>

Reggie,

On behalf of the Honorable Brett Barbre, the President of the Municipal Water District of Orange County and a Director of the Metropolitan Water District of Southern California, I am requesting a Conference Call appointment with Commissioner Brenda Burman or her designee(s) as soon as possible so that representatives from Orange County, California can brief the Commissioner and appropriate staff on the WIIN Ocean Water Desalination Construction Grant that has been submitted to the Bureau on July 27<sup>th</sup> by the South Coast Water District located in Orange County, California.

This group will make itself available to fit the Commissioner's schedule. This request is time sensitive. As we have been informed by your Denver office, we recognize that the Bureau will be making a decision very shortly on this grant opportunity and this group would like the opportunity to explain their project to the Commissioner's office as soon as possible.

Here are the names and titles of the individuals who would be on the call from California:

| <b>Names</b>           | <b>Position</b>                              | <b>Entity</b>                                                                                           |
|------------------------|----------------------------------------------|---------------------------------------------------------------------------------------------------------|
| William "Bill" Green   | Director                                     | South Coast Water District                                                                              |
| Rick Shintaku          | Interim General Manager                      | South Coast Water District                                                                              |
| Mark Donovan           | Project Manager                              | GHD Consulting Engineers                                                                                |
| Paul Hermann           | Assistant PM                                 | GHD Consulting Engineers                                                                                |
| <b>Brett R. Barbre</b> | <b>President of MWDOC Board/MET Director</b> | <b>Municipal Water District of Orange County and Metropolitan Water District of Southern California</b> |
| Rob J. Hunter          | General Manager                              | Municipal Water District of Orange County                                                               |
| Karl Seckel            | AGM                                          | Municipal Water District of Orange County                                                               |
| James C. Barker, PC    | Attorney and Counselor at Law                | Representing Municipal Water District or Orange County and South Coast Water District                   |
| Ms. Joey Soto, M.S.    | Soto Resources                               | Representing South Coast Water District                                                                 |
|                        |                                              |                                                                                                         |

Thank you for your kind consideration of this request.

Jim
